ⓘ XPONENTIAL would like to encourage all attendees and exhibitors to book within the contracted hotel block early in advance. By doing so, you will not only take advantage of the special rates we have negotiated with the hotels, but you will also benefit in other ways.

PROTECTION

Booking within the XPONENTIAL 2024 housing block gives us the opportunity to assist with any hotel issues you may encounter during your stay. When booking at another hotel or through a third party, we cannot assist should you encounter a problem.

VALUABLE NETWORKING OPPORTUNITIES

The XPONENTIAL hotel blocks are the best place to meet fellow conference attendees. Stay where they stay, and don't miss out on valuable meeting opportunities in the hotel lobby, restaurant, or bar.

HELP KEEP MEETING COSTS DOWN

XPONENTIAL receives a credit for each room night used when you book within the hotel block. This credit is then applied to offset the overall cost of the meeting and helps to keep the cost of registration down. When booking in the contracted room block, you also provide us with a history that is a valuable tool when it comes to negotiating rates with new hotels for future events.

Please indicate why you do not require a hotel reservation:

○ I am local

○ I am staying with friends/family

○ I am only in town for one day

○ I have already booked a room directly at a hotel

○ My preferred hotel is sold out

○ I am sharing a room with another conference participant

○ I booked through Airbnb or similar

○ I wanted to book a hotel; however, the online housing was closed

○ My organization/ travel agency booked my hotel

○ I am not ready to book yet
