Choose the nights required for your hotel stay and search for available hotels and rooms. You will scroll below the dates search to see the hotels that are available.

If you are not ready to book a hotel or do not require housing, you can choose to skip. While it is recommended to book as soon as possible, you are able to come back and secure housing, dependent on availability.

The screenshot displays the 'Housing Search' interface for Xponential 2024. At the top, the event name 'XPONENTIAL 2024' is shown with social media icons and the dates 'APRIL 22 - 25, 2024' for Education and Exhibits in San Diego, CA. The user is logged in as 'Tester1 Tester1' with ID 24960. A sidebar on the left lists registration steps: Company Linking (Step 1/7), Personal Information (Step 2/7), Housing (Step 3/7, currently active), Registration (Step 4/7), Add-Ons (Step 5/7), Demographics (Step 6/7), and Registration Confirmation (Step 7/7). The main 'Housing Search' area contains a 'Review Nightly Availability' button and a form with fields for 'Group Code', 'Check-in', 'Check-out', and '# of Occupants' (set to 1). A 'Search' button is located below the form. A 'Housing Policies' button is visible in the top right. At the bottom, there are 'Back' and 'Skip Housing' buttons. A blue arrow points from the text in the second box to the 'Skip Housing' button. The footer identifies 'showcare' as the Official Registration & Housing Provider.

If choosing to skip, you will be taken to the next page housing page below.

XPONENTIAL would like to encourage all attendees and exhibitors to book within the contracted hotel block early in advance. By doing so, you will not only take advantage of the special rates we have negotiated with the hotels, but you will also benefit in other ways.

PROTECTION

Booking within the XPONENTIAL 2024 housing block gives us the opportunity to assist with any hotel issues you may encounter during your stay. When booking at another hotel or through a third party, we cannot assist should you encounter a problem.

VALUABLE NETWORKING OPPORTUNITIES

The XPONENTIAL hotel blocks are the best place to meet fellow conference attendees. Stay where they stay, and don't miss out on valuable meeting opportunities in the hotel lobby, restaurant, or bar.

HELP KEEP MEETING COSTS DOWN

XPONENTIAL receives a credit for each room night used when you book within the hotel block. This credit is then applied to offset the overall cost of the meeting and helps to keep the cost of registration down. When booking in the contracted room block, you also provide us with a history that is a valuable tool when it comes to negotiating rates with new hotels for future events.

Please indicate why you do not require a hotel reservation:

- I am local
- I am staying with friends/family
- I am only in town for one day
- I have already booked a room directly at a hotel
- My preferred hotel is sold out
- I am sharing a room with another conference participant
- I booked through Airbnb or similar
- I wanted to book a hotel; however, the online housing was closed
- My organization/ travel agency booked my hotel
- I am not ready to book yet
