Choose the nights required for your hotel stay and search for available hotels and rooms. You will scroll below the dates search to see the hotels that are available.

If you are not ready to book a hotel or do not require housing, you can choose to skip. While it is recommended to book as soon as possible, you are able to come back and secure housing, dependent on availability.

The screenshot displays the 'Housing Search' page of the Xponential 2024 registration system. At the top, the header includes 'XPONENTIAL 2024' with social media icons, 'Registration Support', and a user connection status 'Connected as Tester1 - ID: 24960'. A left-hand navigation menu lists steps: Company Linking (Step 1/7), Personal Information (Step 2/7), Housing (Step 3/7, highlighted), Registration (Step 4/7), Add-Ons (Step 5/7), Demographics (Step 6/7), and Registration Confirmation (Step 7/7). The main content area is titled 'Housing Search' and contains a blue-bordered box with instructions: 'Please change the check-in or check-out date to find an available room at your preferred hotel. If no hotel rooms are available on your dates, please book available dates first. After completing your booking, please email xponential@showcare.com to inquire about the additional dates required.' Below this is a 'Review Nightly Availability' button. The search form includes a 'Group Code' field, 'Check-in' and 'Check-out' date fields, and a '# of Occupants' dropdown menu set to '1'. A 'Search' button is positioned below the form. To the right, a 'PERSONAL INFORMATION' section shows fields for First Name, Last Name, Title, and Company, all populated with 'Tester1'. A 'Housing Policies' button is located below this section. At the bottom of the search area, two buttons are visible: 'Back' and 'Skip Housing'. A blue arrow points from the 'Skip Housing' button to the explanatory text in the top right box. The footer identifies 'showcare' as the 'Official Registration & Housing Provider'.

If choosing to skip, you will be taken to the next page housing page below.

XPONENTIAL would like to encourage all attendees and exhibitors to book within the contracted hotel block early in advance. By doing so, you will not only take advantage of the special rates we have negotiated with the hotels, but you will also benefit in other ways.

PROTECTION

Booking within the XPONENTIAL 2024 housing block gives us the opportunity to assist with any hotel issues you may encounter during your stay. When booking at another hotel or through a third party, we cannot assist should you encounter a problem.

VALUABLE NETWORKING OPPORTUNITIES

The XPONENTIAL hotel blocks are the best place to meet fellow conference attendees. Stay where they stay, and don't miss out on valuable meeting opportunities in the hotel lobby, restaurant, or bar.

HELP KEEP MEETING COSTS DOWN

XPONENTIAL receives a credit for each room night used when you book within the hotel block. This credit is then applied to offset the overall cost of the meeting and helps to keep the cost of registration down. When booking in the contracted room block, you also provide us with a history that is a valuable tool when it comes to negotiating rates with new hotels for future events.

Please indicate why you do not require a hotel reservation:

- I am local
- I am staying with friends/family
- I am only in town for one day
- I have already booked a room directly at a hotel
- My preferred hotel is sold out
- I am sharing a room with another conference participant
- I booked through Airbnb or similar
- I wanted to book a hotel; however, the online housing was closed
- My organization/ travel agency booked my hotel
- I am not ready to book yet
